## STAR FIELD FENCE

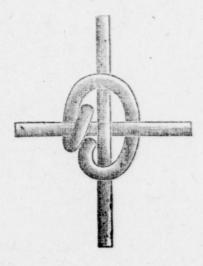

We feel that we were very fortunate in securing the Agency for the STAR FIELD FENCE for Adair County, because it is guaranteed to be one of the very best Woven Wire Fences made.

The STAR FENCE is made of the BEST GALVANIZED BESSEMER HARD SPRING STEEL CRIMPED WIRE. The horizontal wires are crimped every three inches, thus positively providing for expansion and Contraction. It is so constructed the stay wires can not slip, yet at same time allowance is made for erecting on uneven ground, so an inexperienced person can erect this fence perfectly. All horizontal wires are of even length, so it requires but a short time to erect the STAR Fence.

If you expect to do any fencing this spring, and want a fence of quality, it will pay you to examine the STAR FENCE before you buy. Prices are right. Investigate this Fence at once.
